

## Cleo De Nile and the Creeperific Mummy Makeover (Monster High Diaries)

The fifth book in the popular Monster High Diaries series, featuring Cleo De Nile! Dear Diary, Oh my Ra! My mom is coming home! She's been trapped in a tomb this whole time! I hope the tomb was filled with creeperific gems and creepy-cool artefacts. Otherwise I can't imagine how my poor mom coped. I am going to throw the most awesome welcome-back party for her. I know this might be hard to believe, but I'm a little worried about whether the party will be glamorous enough for her. Oh, what am I saying? OF COURSE it will be! I'm just the ghoul for the job! Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
