

Teddy and Coco

Snuggle up with your toddler and enter the enchanting miniature world of a little bear named Teddy and his mischievous dog, Coco. From Teddys prize winning garden, to sand castles at the beach, to Mr. Prickles Puppy School, and even to Paris, France, adventures and mishaps abound. This wonderful story of friendship is illustrated with photographs of scenes created in miniature that will charm and fascinate you and your little one. You will both want to visit Teddy and his silly old dog again and again.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
