

## Cohesive Story Building Worksheets: Worksheets, Checklists, and Exercises from Cohesive Story Building

Bonus! Worksheets, Checklists, and Exercises from Cohesive Story Building Revised, Updated, and Reissued Writing Reference Second Edition Without layering, a story is one-dimensional, unbelievable, boring. Layers mean stronger characters, settings, plots, suspense, intrigue, emotions and motivation. Layering also produces cohesion of all elements. Characters must blend naturally with the setting the writer has placed them, just as plot becomes an organic part of character and setting. If a story doesn't work, it could very well be because the elements aren't cohesive. Cohesive Story Building shows how each element hinges on the other two and how to mix them until they fuse irrevocably. Additionally, Cohesive Story Building carefully explores each of stage of story development from brainstorming and outlining to drafting and revision. From a thorough look at the fundamentals of writing to comprehensive story building techniques, as well as submission guidelines and etiquette, this must-have guide will see writers through the entire novel writing process from start to finish. Set within the framework of comparing the process of building a house to the process of building a story, Cohesive Story Building gives a solid plan of action from start to finish through in-depth examples and exercises, and leave-no-stone-unturned checklists that will help writers take the plan into their own writing. Features detailed examples from published novels to illustrate story-building principles. Many who have read Karen Wiesner's reference First Draft in 30 Days, which focuses on in-depth outlining and goal-setting, will find Cohesive Story Building a perfect companion to that book.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
