

Historical Sketch and Roster of the Georgia Columbus City Infantry Battalion (Georgia Regimental History Series Book 95)

When Sherman marched on Atlanta in 1864, the Atlanta arsenal was moved to Columbus. Columbus was protected by the Columbus City Infantry Battalion AKA the Arsenal Battalion. This unit was formed in the spring of 1863 and consisted of the men who worked in the various factories and the arsenal along with young boys and men who had been wounded and disabled early in the war. The exact number of men who made up this battalion is unknown, but the rosters in the National Archives contain approximately 700 names. At the end of the war, the battalion participated in Wilson's Raid and the Battle of Columbus.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
