

Colour Young Puffin Witches Dog and the Flying Carpet

An old magic carpet causes all sorts of trouble for Wilf, the Witches Dog and his friends. Sly Cat and Tricky Toad don't help - they are back to their old sneaky ways. First some magic just sends Streaky flying into the air, then a magical carpet turns into a jungle complete with its very own tiger! Finally Wilf goes on a magical, but dangerous roller-coaster ride. It's a good job that Wilf is so clever - he puts everything right and even has a brilliant idea about what to do with the old flying carpet.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
