

Colquhoun/Calhoun and Their Ancestral Homelands

This volume contains legendary data about the beginning of this family, detailed information on the line of Chiefs of the Colquhoun Clan with data on the spouses and children (where known), a separate chapter concerning the Camstradden lineage, and several chapters telling of life in the Luss and Rossdhu areas of Scotland. Interaction of the Colquhouns with kings of their day, Rob Roy, and Mary Queen of Scots was evident in the writings of Sir Walter Scott and other authors during those centuries. Stories of the peasants and nobility told of Loch Lomond and the Battles of Glenfruin and Glenfinlas, and ancient Scottish customs. The migration of clan members to Ireland and to New Worlds has left descendants with surnames of Colquhoun, Calhoun, Cowan, Colhoun, Cahoon, Cohen, Cahune, Calquhoun, Calwhone, Colchonn, Culchoun, Culqwan, Culwone, Colfune, Collequhone, and Cohoon. Any of them may consider the ancient Colquhouns to be their ancestors. There is also an appendix with various names of births, marriages, and deaths. The author devoted many years of research to compiling these accounts, beginning with her maternal great-grandmother's Bible. The time span covered is 1190 to 1993, in primarily Scotland, Ireland, Canada, and the United States.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
