

Scoring in the Elevator & 4 other tips on How to Get Published (Writer Bites: Brief essays on the heart and craft of writing fiction)

In *Hunting for an Agent*, I cover the pros and cons of sending queries out to one or two carefully selected agents, or to every agent you can think of all at once. And both approaches do have pros and cons! In *Writing the Dread Synopsis*, and *A Tale of two Synopses*, I explain how to craft a synopsis that works. It's never easy, but I can tell you what you need to leave out, and how to make it come alive--which helps a lot. *Scoring in the Elevator* tells you how to craft a good one or two sentence answer to that ubiquitous question, So, what's your book about, anyway? Some pros say you should never revise for an agent or editor who hasn't agreed to buy your work, some say you always should. Do you want a *Cookie*, tackles that question, and describes the pitfalls of both those answers.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
