

Applied Common Sense: A Formula for Success

Applied Common Sense looks at all aspects of a business. It is a quick read that examines all aspects of a business or organization from a common sense perspective. Based on the assumption that management like politics is local. Measurement and trend analysis is a priority to continuous improvement and effective problem solving. Leadership, management, team building, employee empowerment and the establishment and nurturing of a culture that fosters creativity and commitment. A discussion of the individual and corporate characteristics that will enable sustainable success and profitability. Building corporate reflexes that support the mission of the business or organization while also reflecting the vision of leadership. A consistency between what the organization does and how it does it. A quick read that can establish a common reference for the organization.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
