

Confessing for Money: Writing and Selling to the Secret Short Story Market

Confessing for Money is all about writing for the confession magazines -- the largest and best paid short fiction market today. Peggy Fielding, uses humor and plain talk to teach the formula for writing confessions. She discusses where to get ideas, compares writing confessions with writing for the literary market and advises how to submit stories to the right magazine. You'll find out which is the top-selling emotion and discover the importance of taking confession writing seriously. Also, you will discover the number one error that causes rejected confession stories, straight from the lips of an editor! This edition is new and updated from the previous book. Includes an exclusive review with the editor of True Confessions.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
