

## ICONSCIOUSNESS: Messages from 100 Icons

Marilyn Monroe. Leonardo DaVinci. Rumi. Mother Teresa. Bob Marley. Dozens more. Over the course of five months, Giselle Koy's spiritual path took an unexpected turn. She began to receive extraordinary messages from Ascended Masters, Galactic Beings, the Holy Brothers and the Spiritual Hierarchy. Other times she was visited by iconic celebrities and notable historical figures who have transitioned. She has also communicated with the higher selves of some iconic figures living today. Although Koy cannot always control who comes to her, she is delightfully surprised by who and what comes to share wisdom, secrets and illuminating thoughts. Koy now chooses to share these messages with you in her latest book, *ICONSCIOUSNESS: Messages from 100 Icons* a collection of special transmissions shared in the spirit of hope, clarity, support, love and truth.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
