

Contemporary Chinese (Textbook 2) (Chinese Edition)

This college-level instruction series is viewed by many college Chinese professors as an alternative to the New Practical Chinese Reader series, as the format for instruction and the quality of the content can be considered comparable. Each chapter encourages Western students to develop the ability to communicate in Chinese social settings, as well as to read and write characters. The text layout uses Pinyin, simplified and traditional characters and English translation of dialogues, cultural notes, pictures and more.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
