

## Conversational Chinese 301 (3rd Ed.), Vol. 2: Workbook (English and Chinese Edition)

This Workbook is to be used along with the textbook Conversational Chinese 301 (3rd Ed.), Vol. 2. The Workbook adopts the most efficient method to develop Chinese speaking proficiency proved by eaching and learning practice. Based on the test form of HSK and focusing on the most frequently occurring mistakes of beginners, it corrects the easily committed errors and provides comprehensive drilling from multi-perspectives, from the collocation of words to structural transformation in different language situations and reading comprehension.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
