

Coursework: Projects, Assignments, Reports and Presentations (Business Textbooks)

Providing the student with practical guidance on how to approach the coursework requirement of a typical business studies course this book covers projects, assignments, reports and presentations. The text makes clear the different approaches needed for the different types of coursework, with examples of each in an appendix. There is also advice on how to conduct research, collect information and present results, in either written or verbal form. The book is expected to be used on business courses at undergraduate or postgraduate level or as preparatory text for a research degree.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
