

Crafting Compositions: Tools for Today's Writers

Crafting Compositions guides students through the entire writing process, with exercises in planning, drafting, responding and revising, and polishing. In addition to completing free writing exercises, keeping a journal of informal responses, and revising sample compositions, students will draft, revise, and edit one composition per chapter. The textbook features: Authentic readings to foster vocabulary development, show successful techniques, and serve as a jumping-off point for free writing. A learning log in which students write to practice the writing lessons and tips presented. A two-track system in which students simultaneously work with the writing of other students as they work on their own compositions. Toolbox mini-lessons to review common grammar trouble spots. This mid-level writing text is appropriate for high school, community college, or university course

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
