

Step by Step: Write, Self-publish, and Market Your Book: A short handbook to make your dreams come true

Do you dream of writing and publishing your own book? Stop dreaming and start doing! Its not anywhere as hard as you think. It took me one year and one month from the time I started writing my book to the day I published it on amazon.com. Your reason for writing a book can be anything from wanting to document some area of research to wanting to establish yourself as an expert in some area. Speakers who have published a book get twice as much Per diem. Being a published author also helps in getting a promotion or a new job. You might have many other reasons to write and publish, and this book is written for you to learn how to make your dream come true. This small handbook is a step by step with pictures on how to write, publish and market your book. Ive learned many things the hard way, so you dont need to!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
