

Creating JR. Genealogists: Tips and Activities for Family History Fun

When family historians discover the value of their heritage, they naturally want to share it with their children and grandchildren. In *Creating Junior Genealogists*, the author offers a mother lode of ideas that will help family historians infuse the next generation with an appreciation of their heritage, including how to use family activities, visits to historical sites and museums, scrapbooks, heirlooms - and much more - to captivate and create lasting memories for children.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
