

The Cambridge Introduction to Creative Writing (Cambridge Introductions to Literature)

This pioneering book introduces students to the practice and art of creative writing and creative reading. It offers a fresh, distinctive and beautifully written synthesis of the discipline. David Morley discusses where creative writing comes from, the various forms and camouflages it has taken, and why we teach and learn the arts of fiction, poetry and creative nonfiction. He looks at creative writing in performance; as public art, as visual art, as e-literature and as an act of community. As a leading poet, critic and award-winning teacher of the subject, Morley finds new engagements for creative writing in the creative academy and within science. Accessible, entertaining and groundbreaking, *The Cambridge Introduction to Creative Writing* is not only a useful textbook for students and teachers of writing, but also an inspiring read in its own right. Aspiring authors and teachers of writing will find much to discover and enjoy.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
