

Critical Pedagogy: Political Approaches to Languages and Intercultural Communication (Languages for Intercultural Communication and Education)

Teaching and Learning Languages and Intercultural Communication is not a neutral enterprise. Critical Pedagogy, as a movement and an intellectual field, engages with the political and ideological questions raised in educational practices. In this book the respective fields of languages, intercultural communication and critical pedagogy are brought into dialogue, dissent and reflection.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
