

Reading Comprehension Worksheets for children of 10-12 years old. High Level C. Worksheet 1.: Reading Comprehension Book (English Language) (Cuadernos de comprension lectora. Nivel Alto C.)

Welcome to the world of Evotext or evolutionary texts. It is an easy idea. We have adapted a literary classic Gullivers Travels, and we have created four levels: A, B, C, and D. Level A is very easy to read and Level D is very difficult. The idea is that if your reading skills improve, then you can continue with Gullivers stories but the level will adapt to your better skills. The text evolves as you evolve. That means, if Level A seems too easy, you can pass to Level B and so on. There are 20 books, with 30 files in each book. You can check out on www.mentalex.com for more information about reading comprehension disorders. Bienvenidos al mundo de los evotextos o textos evolutivos. Esta idea es muy facil. Hemos versionado un clasico de la literatura Los viajes de Gulliver y hemos creado cuatro niveles A,B,C y D. El nivel A es facil de leer y el D es muy dificil. La idea es que a medida que tu mejoras la lectura, puedas seguir con la historia de Gulliver, pero el texto se adapta a tu nuevo nivel. El texto evoluciona a medida que tu mejoras. Es decir si el nivel A te parece facil puedes pasar al B y asi sucesivamente. Hay 20 cuadernos para cada nivel, con 30 fichas de lectura por cuaderno. Tambien nos puedes encontrar en nuestra web www.mentalex.com para mas informacion sobre los trastornos de la comprension lectora

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
