

Revision: A Creative Approach to Writing and Rewriting Fiction

With rousing enthusiasm, David Michael Kaplan introduces you to his unique brand of revision: a process of discovery in which your story's words, structure, even its very meaning may change as it grows stronger. He takes you through every stage of the writing process, providing strategies and criteria to help pinpoint the problems in your work and fix them. In addition to illustrating his points with examples from contemporary writers, Kaplan traces the evolution of three of his own stories from journal entries to first (and subsequent) drafts to finished pieces. He shows the changes he made - from single words to entire characters and story lines - and explains why he made them.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
