

C. Iulii Caesaris De Bello Gallico Liber Primus, Vol. 1 (Classic Reprint)

Excerpt from C. Iulii Caesaris De Bello Gallico Liber Primus, Vol. 1. In preparing the Introduction and Notes to this Book I have constantly had by me Kraners edition (1898). For the life of Caesar I have referred to Mr. Froudes Caesar and to Dr. Smiths Dictionary. It is hoped that the exercises for re-translation will be useful for viva voce work in class and will in some cases at least give hints for translation into idiomatic English. There is really no reason why even the youngest boy should be allowed to suppose that such a sentence as which things when he had heard, Caesar, the camp having been fortified, &c., bears any resemblance to his mother-tongue. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
