

Dear Santa: The Letters of James B. Dobbins

Dear Santa, Here is what I want for Christmas ... From an aquarium (with a piranha), to earplugs for blocking out his little sister, to a full-size hockey rink, Jimmy wants a lot for Christmas. What Jimmy needs is a little Christmas spirit. A hilarious series of letters to Santa follows Jimmys experience one very special holiday season, from his first outrageous requests to a final Christmas Eve surprise. Grammy-nominated singer and storyteller Bill Harley teams up with veteran illustrator R. W. Alley to create an endearing character, a wickedly funny book, and a wholly original celebration of the season!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
