With ICOON+, the global picture dictionary, Berlin lifestyle publishers AMBERPRESS are launching an icon collection in book form as hands-on as it is humorous. A universal phrase book which no hand luggage the world over is complete without, this mini booklet divides essential everyday symbols into twelve different categories, uniting them on 100 pages. Regardless of whether you need a toothbrush, safety pin or swimming shorts, or want to explain hay fever without using words, ICOON+ speaks the worlds most universal language: pictures.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
