

Five Furry Tales From The Ginger Nuts (Louisas Ginger Nuts Series Book 6)

Five lavishly illustrated short stories which involve visits to the Vets, fun and games with the garden wild-life and trouble at home with vacuum cleaners. One is a slightly longer story: Kaius Rules The Roost is set in late autumn and features our friends helping Kaius correctly set up his Old Mistress new bird table. Squeezed in between is the Bullpuss Exercise Song

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
