

Deweys Christmas at the Library

The newest adventure in our New York Times bestselling series celebrates Dewey's very first Christmas! The holiday season is in full swing in Spencer -- the lights are twinkling, the wreaths are hung, and Christmas bells are ringing. Inside the library, Dewey longs to be part of the holiday fun and after a series of silly misadventures, Dewey finds a way to add his own special touch to his beloved Christmas tree -- and the results are Dew-rific! A wonderful way to celebrate the season with everyone's favorite library cat.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
