

Dictionary of the Hausa Language, Vol. 2 (Classic Reprint)

Hausa-English Dictionary already issued. In order to save expense and so lessen the price of the dictionary I have transliterated all the Hausa words in this part: their spelling in the original may be ascertained by referring to Vol. I. In accordance with the general principle here adopted all vowels are to be pronounced as in Italian, all consonants as in English. For further explanation and some account of Hausa phonology the student is referred to the preface attached to Vol. I. This dictionary has been seven years in course of preparation, and though I am fully conscious of its incompleteness and other deficiencies, its publication will, I trust, mark a distinct stage in the elucidation of this language and so fulfil in part the objects of the Hausa Association under whose auspices the work has been accomplished. CHARLES HENRY ROBINSON. Ripon.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
