

Dig, Dogs, Dig: A Construction Tail (I Can Read Level 1)

Top dog Duke and his crew of construction-worker dogs are hard at work building a new park. They need lots of cool equipment to help them dig, haul, push, and plow like a backhoe, dump truck, bulldozer, and grader. But what happens when the crew finds something unexpected buried deep in the ground? Beginning readers will love this I Can Read adventure starring a doggy construction crew! The text and art have been gently adapted from James Horvath's picture book of the same title. Dig, Dogs, Dig is a Level One I Can Read book, which means it's perfect for children learning to sound out words and sentences.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
