

Discovering Fiction Level 2 Students Book: A Reader of North American Short Stories

North American short stories enhance students reading skills, language learning, and enjoyment of literature. Discovering Fiction, Second Edition, Students Book 2 presents stories with universal appeal to engage students and make them think. Among the authors included are Nathaniel Hawthorne, Kate Chopin, Langston Hughes, Ernest Hemingway, and Shirley Jackson. Pre-reading and post-reading activities arouse students interest, check their comprehension, increase their knowledge of grammar and vocabulary, and provide thought-provoking discussion and writing assignments. Literary term explanations enhance students appreciation of literature. In addition, WebQuests take students beyond the reading to expand their knowledge of the topic while building Internet reading skills.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
