

# Abecedarium Latinum

It is as easy as apis, bubo, canis to start studying Latin. Each letter of the alphabet has a picture that goes with it to help the youngest students learn their first Latin words. Each letter also has several Latin words that begin with the same letter that students will want to know. 167 to be exact. A full glossary in the back will help students learn how to use a Latin-English dictionary. A pronunciation guide in the book as well as available mp3 recordings will help you keep on track with how to pronounce each word. Other online resources will help expand this book from a simple picture book to a jumping off point for other learning.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
