

Dissertation Research and Writing for Construction Students

User-friendly, easy to dip into guide for all Built Environment students Takes the reader from the stage of choosing a topic to writing a well-structured dissertation Best case practice illustrated with numerous examples, case studies and references Dissertation Research and Writing for Construction Students covers topic selection, research planning, data collection and methodology, as well as structuring and writing the dissertation - in fact, everything needed for a successful write-up. A new section advising students on the use of the SPSS software Statistical Package for Social Sciences will help readers make the best use of this tool. New examples and references ensure that this new edition of the bestselling construction dissertation guide is right up to speed with current practice. This is the ideal resource for students involved in research in Construction Management, Building and Quantity Surveying.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
