

A Dog Called Kitty

The puppy was small and fuzzy, with a friendly, wagging tail and Ricky was afraid of him! No wonder, since he was attacked by a dog when he was just a baby. So when a stray puppy comes sniffing around the farm, Ricky tells it to get lost. But the puppy keeps trying to play with Ricky. And every time Ricky's Mom feeds the cats, the little dog comes running. The cats aren't sharing their food, however, and the poor pup is slowly starving. If Ricky doesn't overcome his fear, the little puppy may die but if he lets himself get close enough to feed it, he may find the best friend he's ever had! Winner of the Texas Bluebonnet, the Oklahoma Sequoyah and the Nebraska Golden Sower Awards.

Welcome to the blog of Joan le Grande. I'm changing the blog to English so forgive me the Dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
