

## Doing Essays and Assignments: Essential Tips for Students (Sage Study Skills)

Have you ever been stunned by a low grade, when you were expecting an A or B? Are you struggling to make the jump from a second to a first? *Doing Essays and Assignments* gives you an insiders view on what tutors and professors really want when they assign essays and projects, and reveals how you can raise your game and achieve the best grades. Drawing on a survey of lecturers, and examples of real student work, this handy guide provides practical advice to help you not only understand what is expected of you, but also get ideas on how to deliver what your tutor is looking for. Providing a behind-the-scenes look at marking, find out how you can successfully craft the perfect written assignment, and discover tips and techniques on:

- Planning and deadlines, helping you manage your workload effectively
- Gaining higher marks through critically formed arguments
- Communicating clearly with the correct language, grammar, and expression
- Avoiding common marking pitfalls such as referencing and plagiarism.

This new edition also reveals how to successfully navigate group work, literature reviews, and presentations to improve your grades. With valuable insight from tutors, and practical tips to apply to your work, you might just want to keep this book to yourself!

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
