

Dolphin Readers: Level 4: 625-Word Vocabulary Yesterday, Today and Tomorrow

This interactive series makes developing language skills exciting for primary. Stories and cross-curricular texts with full-color illustrations stimulate students interest, while carefully graded English introduces them to new language. Pictures support the story clearly Text in different colors makes it easier to follow the dialogue Read and do: integrated activities for every page of reading Picture Dictionary in each book Notes for teachers and parents in each book

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
