

## War Horse (Dominoes. Level Two)

Well be friends, you and I. Ill call you Joey, Albert said. Ill look after you. Well always be friends, I promise. Albert Narracott, a farmers boy, makes this promise to his horse, Joey, in Devon, England. But this is before the First World War, and before Joey leaves for France to become a war horse. What happens to Joey in the British army? What will the Germans and the French do to him when they find him? And how will Albert find Joey again? Read this story and find out.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
