

Vive (Spanish Edition)

Por que tantas personas comprenden lo que de verdad importa en la vida solo ante una muerte inminente? Sucede asi, sostiene la doctora Karen Wyatt, medico de familia que ha dedicado anos de profesion a acompanar a enfermos desahuciados, porque la plena conciencia de la propia mortalidad trae consigo importantes revelaciones de indole espiritual. Por el contrario, el empeno de nuestra cultura en vivir de espaldas a la muerte nos esta privando de una sabiduria trascendental.

/ What Really Matters is a collection of stories from the files of a hospice physician that reveal the end-of-life wisdom of several dying patients and their families. Each touching story provides a glimpse into the final days of life of a terminally ill patient through the eyes of the doctor who provided medical care during that difficult time.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
