

Dont Trust Your Spell Check: Pro Proofreading Tactics And Tests To Eliminate Embarrassing Writing Errors (Good Content Creation)

Dont Trust Your Spell Check tackles proofreading and copy editing from a different perspective. It shows you why we make mistakes, what mistakes we regularly make, and how to spot mistakes before you print or publish content. It also includes over 25 proofreading tests, designed to develop and improve proofreading skills. Poor attention to detail can be disastrous. Wince at the US high school, which had a sign inviting parents to a laeping to literacy night; pity the department store that proudly advertised its grand opening in Febuary 2010. A spell check would have caught these particular errors. But it wont catch every goof and gaffe. It wouldnt have objected to the way a Baltimore news channel once subtitled Prince Harry as the Prince of Whales. Neither would it spot the four errors in the sentence Simone painted his finger the boy and smiled wicked smile. In Dont Trust Your Spell Check, veteran writer/editor Dean Evans explains: The difference between proofreading and copy editing. What happens if you dont proofread. Why we cant stop making stupid mistakes. What stupid mistakes we cant stop making. Why we dont spot these stupid mistakes. How to improve your copy editing to eradicate errors. How to improve your proofreading to destroy all typos. How a style guide can be a proofreaders cheat sheet. How to improve your concentration. Why computers cant proofread. Since 1992, Dean Evans has written hundreds of thousands of words from technology news and movie reviews to celebrity interviews and books (like this one). Dean is the founder of The Good Content Company (UK) Ltd, which provides copywriting/freelance writing services and time-saving content creation tools. He is also the author of The Good Content Code and Write Great Headlines Every Time.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
