

Finding Your Writers Voice: A Guide to Creative Fiction

An illuminating guide to finding ones most powerful writing tool, Finding Your Writers Voice helps writers learn to hear the voices that are uniquely their own. Mixing creative inspiration with practical advice about craft, the book includes chapters on: Accessing raw voice Listening to voices of childhood, public and private voices, and colloquial voices Working in first and third person: discovering a narrative persona Using voice to create characters Shaping ones voice into the form of a story Reigniting the energy of voice during revision

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
