

Rapid Skill Acquisition Guide to Writing About Zombies (Rapid Skill Acquisition Guides) (Volume 3)

Have you ever wanted to write about zombies? Create your own scary, funny, or thought-provoking tales of the undead? Or maybe you just want to cash in on the zombie craze? Its not that hard. This book details my Rapid Skill Acquisition method and adapts it to writing about zombies. What if you could not only do it, but do it faster. Forget all the fear of writing like the long hours, rejection by publishers, and writers block. You dont have time to waste time.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
