

## Historical Sketch and Roster of the Georgia 11th Infantry Regiment (Georgia Regimental History Series Book 43)

The Eleventh Georgia Infantry was organized and mustered into Confederate service in the early spring of 1861. Some of the companies had enlisted before the firing on Fort Sumter. The Eleventh regiment served in Andersons Brigade, Fields Division, Longstreets Corps, Army of Northern Virginia. They served throughout the war in Virginia from First Manassas through Appomattox. The accompanied Longstreet to Tennessee in 1863 and participated in Chickamauga and the siege of Knoxville. Several collections of letters and firsthand accounts are available for this regiment and at least 4 full length regimental histories have been written. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
