

# Easy Japanese: A Direct Learning Approach for Immediate Communication (Tuttle Language Library)

The beginning student, tourist, traveler, businessperson-everyone interested in the Japanese language as it is spoken today-will find this book to be an invaluable learning aid. Thirty easy-to-follow lessons present the most common features of the language in short, simple and immediately useful sentences. Practice exercises, accompanied by a Japanese-English dictionary, enable the user to apply grammar and vocabulary, and emphasize colloquial Japanese conversation. Based on years of successful, proven linguistic methods, Easy Japanese is an eminently practical introduction to the language.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
