

# Task 1 Academic Culture 2015: Students Book (Transferable Academic Skills Kit (TASK))

Transferable Academic Skills Kit (TASK) Module 1: Key Foundation Skills The Transferable Academic Skills Kit (TASK) is a flexible learning resource that has been carefully designed to develop the key transferable skills that promote students success in university and college study. Whether you are a student or a teacher, the TASK series provides a tried and tested teaching and learning tool suitable for a broad range of academic disciplines. A series of supported exercises relates theory to practice and provides students with the tools to develop a framework of skills that can then be used in a wide range of contexts, both inside and outside the academic world. Each module also has web work and extension activities that offer additional information and practice relating to the skills covered in that module. TASK can be followed as a complete course or individual modules can be selected to address specific needs, building the skills required by home and international students at all levels. The series has been created by members of the International Foundation Programme, provided by the International Study and Language Institute (ISLI) at the University of Reading.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
