

The Descendants of Dutch Mennonites Peter and Anna Berg of the Ukraine and Kansas

This book covers the fascinating odyssey of the Dutch Mennonites and five generations of family descended from Peter Berg and his wife, Anna Pankratz. Peter was born in 1845 in Burwalde Village, Chortitza Colony, Ukraine and died in 1931 in Hillsboro, Marion County, Kansas. This book is presented in the Modified Register System and has been compiled mostly from primary source documents. It is enhanced with interesting historical background and, when possible, short biographical sketches of some of the Berg descendants. Berg family photos and maps of relevant areas enhance the text. A fullname index is provided listing women under their married names as well as their maiden names. 2003, 5?x8?, paper, index, 158 pp.

I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
