

A Primer for Advanced Beginners of Chinese, Traditional Characters: Vol. 1 (Volume 1)

This first-of-its-kind, two-volume primer is addressed to meet the needs of the rapidly growing number of Chinese language students who were raised in the United States in Chinese-speaking homes and can speak the language but who cannot read or write it. The book's lessons and exercises build upon the cultural knowledge of these advanced beginners in order to facilitate full language acquisition. As a culture-based primer, this text takes an unusual and innovative approach, with lessons organized around readings on Chinese history, culture, geography, literature, folktales and mythology, customs, and cuisine. The focus, therefore, is not on sentence grammar, but rather on reading strategies and on discourse grammar, a new, more authentic approach to the study of languages.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
