

## Early Reader Non Fiction: Beastly Beasts

Its never too early to find out about brilliant beasts and mythical creatures with this brand new green Early Reader factbook. Early Readers are stepping stones from picture books to reading books, perfect for building confidence in new readers and reluctant readers. A green Early Reader is a first factbook. Did you know that and that people used to believe in fire-breathing dragons and that no one has ever seen the Loch Ness Monster up close? Learn fascinating facts about brilliant beasts and mythical creatures in this brand new non fiction Early Reader from John McLay, with full colour illustrations on every page.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
