

Images, Scandal, and Communication Strategies of the Clinton Presidency (Praeger Series in Presidential Studies,)

Denton, Holloway, and their contributors present analyses of communication strategies used in the Clinton administration, with a special focus on President Clinton's responses to the Lewinsky scandal and impeachment. Chapters explore the Clinton administration's attempts to control his image through rhetorical and media strategies, his appeal to women voters, the changing image of Hillary Rodham Clinton, and Clinton's discourse on race. The second half of the book focuses on Clinton's responses to the Lewinsky scandal, media coverage and polling during the scandal, and Clinton's impact on the symbolic nature of the American presidency. This book will be of particular interest to scholars, students, and other researchers involved with communication, political science, political sociology, political communication, and scandal.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
