

A Guide to the Danish Language: Designed (Classic Reprint)

English scholars have complained of the inadequate means for the study of the Scandinavian tongues. The Guide has been compiled to add to the means of studying the Danish language, and the aim of the authoress has been, to aid the student by a natural arrangement of the subject matter and by a statement of the principles and rules in as simple language as her knowledge of English permits. The second part contains a selection from Danish poetry together with prose extracts from *Rejse igjennem Danmark* and some popular traditions. This, it is hoped, will form an easy introduction to Danish literature. London, July (Typographical errors above are due to OCR software and do not occur in the book.)

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
