Good writing is brief and clear. This new edition of the popular handbook offers updated, practical advice on writing effective letters, reports, and memos, while retaining the easy-to-read format that made the first edition so popular. Presents examples of good writing to serve as models and also shows what to avoid. Includes illustrations (many more than in the 1st edition) of many types of good writing, culled from diverse sources. There is new material on writing minutes, news releases, resumes, and style guides. The section on writing reports has been thoroughly revised--every phase from initial organization to final selection of style has been updated to reflect modern practice. Suitable for classroom use or self-study.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
