

## El alma del liderazgo / The Soul of Leadership: Unlocking Your Potential for Greatness (Spanish Edition)

Atencion total, meditacion y conciencia del poder de las emociones son de gran ayuda en todos los ambitos de la vida, y ahora, despues de 55 libros, Chopra ofrece una guia invaluable que aplica todos sus principios especificamente a los administradores. Con un enfoque espiritual, Chopra analiza los problemas que se enfrentan en el lugar de trabajo y ofrece una guia para revertir las actitudes negativas y fomentar un ambiente de trabajo armonioso. Los ejemplos que da son realistas, sus analogias son convincentes, y describe ejercicios claros y utiles. Chopra ha acunado una singular acronimo, LIDERES, para su sistema de liderazgo, que parte de observar y escuchar, y culmina con la sincronia. Ademas, conoceras las historias de dos lideres que han hecho millones de dolares siguiendo las inclinaciones mas profundas de su alma (Chopra sostiene que es el unico camino hacia el verdadero exito), lo que hace de este sistema de liderazgo sea relativamente facil de utilizar. El principio fundamental es la idea de que los verdaderos lideres son capaces de ver metas visionarias, sin perder jamas la integridad. Chopra le otorga ademas un profundo significado a la discusion, reetiqueta el exito mucho mas alla de la simple ganancia de dinero, lo que parece prudente a la luz de la situacion economica actual. Asi, se requiere un enfoque intelectual y espiritual para abordar el despertar del liderazgo autentico, ese que esta mas alla de las tecnicas y del cerebro. El unico y genuino liderazgo, dice Deepak Chopra, es aquel guiado por el alma. Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
