

Elements of Argument: A Text and Reader

When first published in 1985, *Elements of Argument* changed the way that argument was taught in college composition courses through its pioneering emphasis on the easy-to-teach Toulmin model of argument. The book quickly became the best-seller in its market and has maintained its popularity with a mix of accessible instruction, lively examples, and compelling readings. Thorough but not intimidating, *Elements of Argument* presents everything students need to learn about, research, and write arguments. A new coauthor, Donna Haisty Winchell, draws on her own experience teaching with *Elements of Argument* to enhance the writing instruction and bring in a fresh group of readings and topics that will appeal to a new generation of students.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, virtual reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
