

Lakhotiya Woglaka Po! - Speak Lakota! Level 5 Textbook (Siouan Languages Edition)

The Level 5 Textbook is the latest and most advanced edition of the Speak Lakota! series. It reviews and builds on vocabulary from Levels 1-4, while expanding into more complex grammatical areas. The Level 5 is a continuation of the style and communicative language approach of the Level 4 textbook. It helps the student not merely know the language through rote memorization of patterns, but through encouraging a process of discovery that internalizes the languages into the students active language framework.

Welcome to the blog of Joan le Grande. I'm changing the blog to english so forgive me the dutch articles before. I already translated a few, keeping it up! Anyway, stay tuned for lifestyle articles and reviews about games or other nerdy stuff. Enjoy! Categories Comics Games Playstation 4 Wii U Lifestyle Posted by Joan le Grande in Games, Playstation 4 Leave a comment Tagsexperience, first look, Games, Playstation 4, Playstation VR review, ps4 VR review, viraal reality YES YES YES. I'm super hyped about the VR, but you obviously knew that already because of my last blogpost. There were a few hiccups because I ordered it online and I was working during the time it came. I stressed, freaked, jumped and finally gave up on the thought I got to play on the day it came out. But luck was on my side and when I got home, 20 minutes later the VR glasses arrived! In this post I will take you with me on my first experience with virtual reality. Was it as awesome as I hoped? Or is nauseating and not really my cup of tea? Read and find out!
